

# Solutions for commercial vehicles

## Power distribution

- Complete high-voltage solutions for highest power level
- Robust and reliable performance even in harsh environments
- Space- and weight-saving design

## Data transmission

- Fully customised radar antenna systems with high radiation efficiency
- Chip-to-antenna solutions (RF board free)
- Miniaturised RF connection solutions
- The most complete antenna portfolio for mobile connectivity

### 1 High Voltage Distribution Unit

### 2 High Voltage Connection System

### 3 RADOX® High voltage cables

### 4 RADOX® Modular cable assembly (mCAY)

### 5 SENCITY® Road antennas

### 6 Radar antenna
